FOLK TO OPPOSE STONE.

Former Governor Confides to Missourians He Will Enter Campaign Next Year.

Washington, D. C., March 6.—To fellow Missourians here, former Governor Joseph W. Folk today confided his purpose of becoming a candidate for the United States senate against Senator Stone in the campaign next year.

A report was circulated that Folk might be offered the solicitor generalship of the department of justice. This position ranks second to the attorney general, and its occupant has responsibilities in many respects as heavy as those of his nominal superior. It is the office held two years under Taft by Frederick W. Lehmann of St. Louis.

"You may say," said Folk, "I would not take the solicitor generalship if it were offered to me."

Here From Clearmont.

Mrs. John Clary of Clearmont spent Friday in Maryville the guest of her sister, Mrs. John D. Richey. Mrs. Clary and her family will soon become residents of Maryville, Mr. Clary having been lately appointed county highway engineer.

To the Democratic Voters of Polk Township. I am asking for the nomination for township collector, to be decided at the primary March 22. I have lived in this township all my life and have never been a candidate for any office. Some time ago I received an injury which caused me to lose the entire use of my right arm, from which I have been confined at my home all winter. For this reason I have been unable to call on you, and take this means of asking your support for this office. Thanking you, I remain,

Yours respectfully,
F. S. GRUNDY.

THEY SAW WILSON

BAND GIRLS GOT GOOD VIEW OF INAUGURAL PARADE.

ANOTHER BAND LETTER

Miss Evans Writes Entertainingly of the Wonderful Sights They Saw and Good Time the Band Had.

Washington, D. C., March 4.—Editor Democrat-Forum: We reached Pittsburgh about 8 p. m. Sunday, and after a three hours visit started to Washington, reaching there at 8 o'clock Monday morning. We were greeted at the station by Mr. W. C. Van Cleve, who escorted us to our temporary home. We are nicely located near the pension office, so are within easy walking distance of a number of the places and events of interest.

Monday afternoon the Missouri Ladies band went to the peace monument, near the capitol, and were given the honor of leading the women's suffrage pageant. There were ten bands in the pageant, but the Maryville band was the only one composed of ladies. No doubt you have seen accounts of the pageant in the city papers. The Washington papers are full of the many indignities heaped upon the ladies in the pageant. These accounts are rather extravagant, but the ladies certainly did meet with insults. We saw very little of this, as we were at the head of the line, there being ahead of us only a float bearing an inscription demanding equal suffrage, Miss Inez Milholland on horseback, herald of the procession, with a mounted escort of a few California ladies. Miss Milholland was a classmate of Miss Susie Ellison at Vassar. Although there were many insulting things said and done, I am glad to say that our girls were free from it. Of course, there were a few personal, however not insulting, remarks made, but nothing more than we would hear in any large crowd. We have heard many words of commendation of the dignity with which the girls bore themselves in the midst of such trying circumstances.

It is true that the police force was very inadequate, and the U. S. cavalry from Ft. Meyer had to be called to take charge of the crowd of hundreds of thousands of spectators who persisted in crowding into the street, in spite of the ropes that had been stretched along Pennsylvana avenue the whole length of the line of march. It is said the difficulty was caused by the anti-suffragists, who hired people to break up the pageant. Nevertheless, we escorted the ladies to Continental hall, where we played various national airs. The ladies had planned a suffrage meeting, but it proved to be more of an indignation meeting. During this meeting congress was also holding an indignation meeting because the chief of police had not obeyed instructions to have sufficient police to protect the people. The people of Washington are very indignant and heartily ashamed of the actions of the people of their city, and have expressed some very scathing remarks about the chief of police.

The pageant was well planned and would have been a magnificent demonstration had it been permitted to move without such serious interruptions. It was, however, an extraordinary spectacle, as far as the artistic arrangement and display were concerned, and the beautiful women, posing in classic robes, completely captivated the throng of spectators.

We had the privilege of meeting and talking with Dr. Anna Shaw, as well as "General" Rosalie Jones during the afternoon. Helen Keller, the famous deaf and blind girl, became so nervous over the parade that she was unable to make her address during the evening.

Later in the evening we visited the congressional library and were overwhelmed with the beauty and magnificence of the interior decoration. Later we went to the capitol building, where Mr. Van Cleve met us. We were entertained in his office until the usher was able to procure seats for us in the gallery of the house of representatives. We had a splendid location, and while there heard a heated debate on the bill for appropriating money for two battleships this year. We did not wait for a decision, however, but went to the senate chamber, where we heard a speech by Senator Cummins of Iowa concerning the appropriation of money for public buildings in various places over the United States. Just after we stepped out of the senate chamber, Senator Stone came to us with a few words of greeting and placed himself at our disposal.

Of course we were all anxious for today to dawn. There were such throngs of people on the street early in the morning that we had very little hope of being able to witness the parade, but fortunately we happened to be in a splendid location for seeing President Taft and President-Elect Wilson as they were being escorted to the capitol building, ready for the inauguration. Then in the afternoon we were again favored by being able to witness the inaugural parade from a point of vantage. It certainly was a very impressive sight, and one long to be remembered. There were eighty thousand soldiers in the parade.

The weather has certainly been ideal. Monday was a beautiful day. It was very balmy and spring-like, but today there are thin clouds, so the day is a little gray, although it is what would be called a very pleasant day for inauguration day.

We are going sightseeing tomorrow, and will start home Thursday morning. Our car is to be attached to Governor Major's special. We expect to arrive home Saturday morning on the 6 o'clock train. We will all be tired, but happy, for we have enjoyed the trip to the fullest extent, and have met with courteous treatment all along the way. One who has been especially nice to us is Mrs. Champ Clark. She was very much pleased that we were all from Missouri. One thing that seemed to surprise every one was that we were all from the same town.

Congressman Booher called on us and expressed his wish to be of service to us.

No one could have treated us nicer than Mr. Van Cleve, and we are glad to express our thanks publicly.

MAY SINK TEST WELLS.

Leases Being Secured Over County by Oil Men—Oil in This County?

According to the Burlington Junction Post E. M. Davis, a representative of the Pennsylvania Oil and Development company, made a second visit to Burlington Junction this week in an effort to secure a lease on a large block of land for oil and gas prospecting purposes in that community. Mr. Davis said that the company had secured a lease on about 12,000 acres southeast of Maryville and was leasing land in other parts of the county. The company wants to lease 8,000 to 10,000 acres in this locality, and if they can secure this amount Mr. Davis gives the assurance that they will sink five test wells in Nodaway county. He said that the company would be ready to begin work here four months after all the leases were made.

Mr. Davis expressed himself as confident that there was oil in this county as all indications were favorable. The lease taken by the company allows the land owner an eighth of the oil and $100 a year for each gas well, in addition to gas for the owner's consumption.

FOR MORE PAVING

MAYOR WILL BRING MATTER UP AT COUNCIL MEETING.

LOOK AFTER CROSSINGS

The $1,500 Judgment Against the City Starts Movement Among City Dads to Make Crossings More Safe.

The regular meeting of the city council will be held this Friday evening in their new quarters in the Baker building, on the northeast corner of the square. This will be their first meeting in their new location, the change being made as they thought the city hall was unsafe, and also to have all of the city officers have office rooms in the same building.

At the meeting tonight Mayor Robey will probably bring up the subject of paving in Maryville. No paving has been done in the city for several years and Mayor Robey would like to start the campaign for more paving. The streets suggested for paving are Market street between First and Third, and on Fifth street from Market to Buchanan. Then the alleys on the north side of the square and on the south side of the square.

Mayor Robey intends to also start his sidewalk campaign and to see that all crossings are in good condition. Since the city has $1,500 judgment against it from what was said to have been a bad crossing, the officials intend to pay more attention to the sidewalks and crossings.

The new firm has received six car loads of implements and machinery, which are now on display in the show room and stored in the second story of the building.

The firm will also serve a lunch Saturday from 12 to 2 o'clock to the farmers and business men.

RESERVES VS. ALBANY HIGH.

Normal Seconds Will Close Season Tonight With Gentry County Champs —Presbyterians and Christians.

The second basket ball team of the Normal will clase their season tonight in a game with the Albany high school quintet at the Normal gymnasium. The Albany chaps have set a great pace in the popular indoor sport over around Grand river, and they have gotten so chesty as to claim the high school championship of Northwest Missouri. The locals haven't worked out against the green and white team all season for nothing, and they know something about the game themselves.

A curtain raiser will be staged by two light weight teams from the Presbyterian and Christian church Sunday schools. The opening contest will start at 7:30.

PROVIDES FOR RURAL SCHOOLS.

Missouri Senate Passes Bill to Give Country Children Better Chance.

Jefferson City, March 7.—The senate passed the bills yesterday providing for rural high schools and for a teachers' training course to be taught in all the high schools. These measures will cost the state a large sum annually. In return, however, it is promised that a system of rural high schools will be tsablished in every county that now is without these advantages and render it unnecessary in future to draw on other states annually for twenty-five hundred school teachers.

More than fifty senate bills were passed today and only one failed. The latter proposes to leave it optional with the various county courts whether or not they appoint a county highway engineer.

Probate Judge Conn appointed W. C. Pierce curator of the estate of Nona L. Willett, a minor.

Cutting It Out.

The adoption of the county unit bill in Missouri and of the Webb bill in the nation, shows the drift of public sentiment. With no particular temperance revival, the country is steadily reducing the field of operations of the liquor business.

There is no fanaticism about the movement. It merely expresses a growing conviction that the American saloon is a demoralizing institution. Liquor drinking can't survive in an era of fierce competition. The athlete knows he must cut it out if he is to be successful. The big business concern frowns on it or forbids it among employees. Modern business success needs clear heads and unfagged bodies. It can't be built on whisky.

With the economic ban on liquor, people are able to judge its social effects more fairly. They find from the systematic investigations that have been made in the last few years that a large share of crimes of violence results from drink. Every few days in Kansas City and other cities, some young fellow commits homicide. "Drunk, of course," used to be considered a sufficient explanation. Now people are asking why institutions are permitted to exist that periodically send out crazy men armed with revolvers to endanger life.

Ten years ago neither the county unit bill nor the Webb bill would have had a chance at enactment. It is the change in sentiment throughout the county that put them through.—Kansas City Star.

YOUR FRECKLES

Need Attention in February and March or Face May Stay Covered

Now is the time to take special care of the complexion if you wish it to look well the rest of the year. The February and March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use othine—double strength.

This prescription for the removal of freckles is the discovery of an eminent skin specialist, and is so uniformly successful that it is sold by any druggist under guarantee to refund the money if it fails. Get an ounce of othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.

Craig Bill Passed.

Senator Craig's bill providing that the state shall pay the traveling expenses of county superintendents in visiting schools was passed Thursday.

IT'S A MISTAKE.

Made by Many Maryville Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Maryville is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Maryville.

J. A. Murphy, 805 East Fourth street, Maryville, Mo., says: "Some years ago I publicly recommended Doan's Kidney Pills, and I am just as strong in my praise of them now as I was then. I got my first box of Doan's Kidney Pills at Love & Gaugh's drug store, and I do not hesitate to say that they are very reliable in curing kidney trouble and lame back."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Warning.

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations. Look out for them, get the genuine. See that the girl with the Auburn hair is on every package.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbond's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using Parisian Sage. 50 cents a large bottle at the Koch pharmacy and druggists everywhere.—Advertisement.

One hundred and fifty guests were bidden, but owing to the stormy night only a few were able to come. Library Social a Success.

The circulating library and box social given by the Mothers' Circle Thursday night in the First Baptist church parlors was quite a success, although the attendance was not as large as was expected, owing to the change in the date from Friday night to Thursday night, many who had expected to attend not being aware of the change in the date. About fifty guests were costumed to represent some book. Two little girls were given the prizes for making the best representation. They were Mildred Wallace and Gladys Wilson, dressed as "Little Women." Another good costume was that of Treva Phipps, another little girl, dressed as "The Little Colonel," and she had her dog, Fritz, with her, too. Four other little girls were quite popular in Colonial costume, who were "The Daughters of the Revolution." Miss May Farmer won the prize for guessing the largest number of books represented. Another enjoyable part of the evening came when the lunch boxes were auctioned off by Professor W. M. Oakerson. The baxes were beautiful and contained the most delightful things for eatging. About $20 was cleared for the Circle.

First M. E. Missionary Meeting.

The Woman's Foreign Missionary society of the First M. E. church met with Mrs. S. J. DeArmond Thursday afternoon. Mrs. O. C. DELICIOUS "SYRUP OF FIGS" FOR A BAD LIVER OR SLUGGISH BOWELS

THIS GENTLE, EFFECTIVE FRUIT LAXATIVE THOROUGHLY CLEANS YOUR STOMACH, LIVER AND 30 FEET OF BOWELS OF SOUR BILE, POISONS, GASES AND CLOGGED-UP WASTE.

A harmless cure for sick headache, for biliousness, for a sour, gassy, disordered stomach, for constipation, indigestion, coated tongue, sallowness, pimples—take delicious Syrup of Figs. For the cause of all these troubles lies in a torpid liver and sluggish condition of your thirty feet of bowels.

A teaspoonful of Syrup of Figs tonight means all poisonous waste matter, the undigested, fermenting food and sour bile, gently moved on and out of your system by morning, without griping, nausea or weakness. It means a cheery day to-morrow—many bright days thereafter.

Please don't think of gentle, effective Syrup of Figs as a physic. Don't think you are drugging yourself, for luscious figs, senna and aromatics can not injure anyone.

This remarkable fruit preparation is a wonderful stomach, liver and bowel cleanser, regulator and tonic, the safest and most positive ever devised.

The day of violent purgatives, such as calomel, pills, salts and castor oil is past. They were all wrong. You got relief, but at what a cost! They acted by flooding the bowels with fluids, but these fluids were digestive juices. Syrup of Figs embody only harmless laxatives, which act in a natural way. It does what right food would do—what eathing lots of fruit and what plenty of exercise will do for the liver, stomach and bowels.

Be sure you get the old reliable and genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by The California Fig Syrup company. Hand back, with scorn, any Fig Syrup imitation recommended as "just as good."—Advertisement.

Those who *know* buy DE LAVAL Cream Separators

Creamerymen—Because they are experts in the handling of cream and know by long experience that the De Laval skims cleanest and wears longest. That is why 98% of the World's creameries use the De Laval exclusively.

Experienced Dairymen—The De Laval is the universal favorite among big dairymen. They know that no other separator will give them such satisfactory service.

Old De Laval Users—Whenever a man who has used an old model De Laval decides to purchase a later style machine he invariably buys another De Laval.

Men Who Investigate—If anyone takes the time to investigate the merits of the various cream separators, either by finding out from other users what kind of service their machines have given or by testing other machines out against the De Laval, the chances are a hundred to one that his choice will be the De Laval. More De Laval machines are in use than any other make. There is a reason. Come in and we will tell you why.

More than 1,500,000 DE LAVALS now in use.

FOREIGN MISSIONS WON.

In a Debate at Presbyterian Church Wednesday Evening Judges Decided for Foreign Missions.

A very interesting debate was had at the First Presbyterian church Wednesday, when the question, "Resolved, that home missions are more worthy of support than foreign missions" was discussed. W. H. Crawford and Dean George H. Colbert argued the affirmative and Prof. C. E. Wells and Prof. H. P. Swinehart took the negative side. The judges were Miss Jessie Parcher, Mrs. L. O. Goble and Mrs. Roy Curfman. The affirmative side got one vote, and the other two judges voted for the negative side. A good crowd was in attendance and all of the debaters made good speeches.

Saw a Wolf Near Hopkins.

While out on a professional trip last Friday, Dr. C. W. Kirk of Hopkins saw a small gray wolf on the ridge some five miles north of that city. The animal looked at him as saucy as you please and he says he could easily have killed the wolf if he had been possessed of a shotgun, says the Hopkins Journal.

There is lots of timber along the river north of Hopkins, and it is said wolves are quite plentiful and are causing the farmers who raise sheep no end of trouble, killing lambs as well as attacking and sometimes killing older sheep. The good housewives also have many chickens carried off by the bold reynards.

Moved a Large Safe.

Shoemaker & Bovard, the new transfer men, moved Wednesday the city safe, weighing five tons, from the office over the Montgomery & Lyle clothing store to the new city hall quarters in the Baker building, on the northeast corner of the square. The moving apparatus which this firm uses made the removal of the big safe quick and without accident.

PLANNING THE GARDEN.

Be Able to Sell Before Your Neighbors.

Now is the time to look about for some early crop that will bring in a little money. For those who live close to a village or small city the early vegetable catches the dimes and dollars. Even though there are many gardens in town, there are a great many who prefer to buy their vegetables. In connection with the sale of vegetables, early plants pay a handsome dividend, says a contributor to Farm and Home.

The great thing in gardening is to have the vegetables ready a week or two before the other fellow. You not only get the advantage of high prices at the first of the season, but when once a customer, if your goods are O. K. you can hold them throughout the season.

A quarter or half acre is large enough to begin with. This amount, if worked intelligently, will produce an astonishing amount of "truck." The piece of ground selected for the garden should be cleared of all rubbish or trash, such as large dry weeds, sticks, etc., that wil linterfere with cultivation or which will cause the soil to lose moisture.

The spot selected should be top-dressed with well rotted stable manure or that from the pigpen or poultry house. Use all of these; there is no danger of getting the soil too rich. But be sure and get the manure well mixed with the soil. After plowing and harrowing the piece of ground, scatter 125 pounds of high grade commercial fertilizer over it and work it in three or four inches with a cultivator. Cultivate the garden all you can before planting. It matters not how rich the garden is, the fertilizer will warm it early in the spring, and also start and help to keep up a rank growth throughout the season.

BIG FISCAL BUDGET PASSED.

Appropriations Bill Passed Senate—Gives Normal Here $118,041—Craig Bill Passed.

The senate in Jefferson City Wednesday passed the educational appropriations bill. The Normal at Maryville will receive $118,041 for the next biennial period.

A bill by Senator Craig of Nodaway county was passed. This gives to special road districts the right to levy a 25-cent tax for road improvements wholly within the special district.

For Hair Health

If Rexall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We could not so strongly endorse Rexall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.

If your hair is falling out or you suffer any scalp trouble, we believe Rexall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency.

We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Rexall "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it.

We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Rexall "93" Hair Tonic, and our honesty of purpose in recommending it to you?

Rexall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and $1.00.

SONORA AWAITS FEDERAL TROOPS

Many Ex-Rebels of Chihuahua Declare Neutrality.

GOVERNMENT IS NOT IDLE.

Ten Thousand Troops to Be Sent Against Rebels in North, Who Have Destroyed Railroads and Telegraph Wires—Americans in Danger.

El Paso, Tex., March 7.—With the ex-rebels of Chihuahua declaring neutrality today in the Sonora revolt, the situation in the western border state awaited the entrance of federal troops.

Rallying under the constitutionalist banner and proclaiming states' rights, the new rebels not only destroyed the railway north and south of Hermosillo, but cut all telegraph wires. This enforced the most effective news censorship from the state capital.

Following the decision of the state authorities to denounce Huerta's government, groups of state rebels threatened the posts of Agua Prieta and Nogales, on the Arizona border.

Fear is felt by the large American colony at Empalme, near Guaymas, that a Mexican gunboat will shell the California gulf port, preparatory to landing Huerta's soldiers to move against Hermosillo.

Ten Thousand Veterans Ready.

Mexico City, March 7.—Ten thousand seasoned troops are to be placed under command of Brigadier General Samuel Garcia Cuellar, who has been ordered to move against the rebels in the north at an early date. Two thousand men in addition to those already dispatched are being prepared to proceed to Coahuila to give combat to the rebels under Carranza.

FRANCE TO HAVE BIG ARMY

Government Urges People to Support New Military Bill.

Paris, March 7.—An impressive appeal to the people of France to submit cheerfully to the sacrifices called for by the new military bill increasing service in the army to three years was made when the cabinet submitted the measure to parliament.

The bill as laid before the chamber of deputies was accompanied by a declaration from the ministry expressing the profound conviction that the proposal "must be adopted, not only for the security of France, but also for the peace of Europe, which depends entirely on the maintenance of the equilibrium of the great nations of Europe."

Some exceptions to the general rule are made in the bill. Youths belonging to families of at least six children will serve only two years.

Bronze Bust Given to James Wilson.

Washington, March 7.—A life-sized bronze bust of himself will serve to remind James Wilson, retiring secretary of agriculture, of his sixteen years of service in that department when he returns to his home in Iowa. The bust, a replica of which will be placed in the department, was presented to Mr. Wilson in the National Museum building by the employees of the department.

Injunction Prevents Tea Party.

New York, March 7.—The "tea party" which Collector William Loeb, Jr., planned to give today by dumping 2,816 packages of tea, condemned as impure and unwholesome, into New York harbor, was prevented by an injunction granted by Judge Hand in the federal court on the motion of the importers.

Writ for Thaw Is Withdrawn.

New York, March 7.—The writ of habeas corpus obtained in behalf of Harry K. Thaw was suddenly withdrawn at the request of his counsel in the supreme court. Thaw was taken back to the asylum, and the right of his lawyers to see him in private there will be thrashed out in court.

CONDENSED NEWS

Mrs. Catherine Godfrey, a young widow, was found murdered in her flat in New York. The police attribute the crime to gangsters.

Mrs. Levi Z. Leiter, widow of the former Chicago merchant, died at her home in Washington of apoplexy.

Edgar E. Clark of Iowa, confirmed as an interstate commerce commissioner, was named as chairman in succession to Franklin K. Lane, now secretary of the interior.

Attorney General McReynolds took up anti-trust work by a conference with representatives of the Union Pacific and Southern Pacific over the plan for dissolution of their merger.

Dr. Fredrich Franz Friedmann of Berlin administered his serum for tuberculosis to two women and a man, the first patients whom he has treated in America. The serum was injected at the People's Hospital for Chronic Tuberculosis in New York.

Indications that no sweeping changes in the foreign policy of the United States are in contemplation were afforded when Secretary Bryan, without much qualification, approved the letters and instructions by wire that went out to the American representatives abroad in countries where stirring events are happening.

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion is Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy results in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

HOW AN INDIANA GIRL

Got Strong and Well Again at Small Cost.

Miss Alta Abel of West Baden, Ind., says: "I was a complete wreck, always tired, worn out and nervous. I had to spend about one-third of my time in bed and my life was not worth living. Vinol, your delicious cod liver and iron tonic, was recommended, and it has done me more good than all the medicine I ever took in my life. That nervous and tired feeling is all gone. I have gained in health, flesh and strength, until I feel like another person."

Vinol is the most efficient strength creator for such women. It is the medicinal elements of the cod's livers contained in Vinol, aided by the blood making and strengthening properties of tonic iron which makes it so far superior to all other tonics to build up health and strength for weak, tired, ailing women. It contains no oil and has a delicious taste.

We give back your money if Vinol does not do all that we claim. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

FOLK TO OPPOSE STONE.

Former Governor Confides to Missourians He Will Enter Campaign Next Year.

Washington, D. C., March 6.—To fellow Missourians here, former Governor Joseph W. Folk today confided his purpose of becoming a candidate for the United States senate against Senator Stone in the campaign next year.

A report was circulated that Folk might be offered the solicitor generalship of the department of justice. This position ranks second to the attorney general, and its occupant has responsibilities in many respects as heavy as those of his nominal superior. It is the office held two years under Taft by Frederick W. Lehmann of St. Louis.

"You may say," said Folk, "I would not take the solicitor generalship if it were offered to me."

Here From Clearmont.

Mrs. John Clary of Clearmont spent Friday in Maryville the guest of her sister, Mrs. John D. Richey. Mrs. Clary and her family will soon become residents of Maryville, Mr. Clary having been lately appointed county highway engineer.

To the Democratic Voters of Polk Township. I am asking for the nomination for township collector, to be decided at the primary March 22. I have lived in this township all my life and have never been a candidate for any office. Some time ago I received an injury which caused me to lose the entire use of my right arm, from which I have been confined at my home all winter. For this reason I have been unable to call on you, and take this means of asking your support for this office. Thanking you, I remain,

Yours respectfully,
F. S. GRUNDY.

THEY SAW WILSON

BAND GIRLS GOT GOOD VIEW OF INAUGURAL PARADE.

ANOTHER BAND LETTER

Miss Evans Writes Entertainingly of the Wonderful Sights They Saw and Good Time the Band Had.

Washington, D. C., March 4.—Editor Democrat-Forum: We reached Pittsburgh about 8 p. m. Sunday, and after a three hours visit started to Washington, reaching there at 8 o'clock Monday morning. We were greeted at the station by Mr. W. C. Van Cleve, who escorted us to our temporary home. We are nicely located near the pension office, so are within easy walking distance of a number of the places and events of interest.

Monday afternoon the Missouri Ladies band went to the peace monument, near the capitol, and were given the honor of leading the women's suffrage pageant. There were ten bands in the pageant, but the Maryville band was the only one composed of ladies. No doubt you have seen accounts of the pageant in the city papers. The Washington papers are full of the many indignities heaped upon the ladies in the pageant. These accounts are rather extravagant, but the ladies certainly did meet with insults. We saw very little of this, as we were at the head of the line, there being ahead of us only a float bearing an inscription demanding equal suffrage, Miss Inez Milholland on horseback, herald of the procession, with a mounted escort of a few California ladies. Miss Milholland was a classmate of Miss Susie Ellison at Vassar. Although there were many insulting things said and done, I am glad to say that our girls were free from it. Of course, there were a few personal, however not insulting, remarks made, but nothing more than we would hear in any large crowd. We have heard many words of commendation of the dignity with which the girls bore themselves in the midst of such trying circumstances.

It is true that the police force was very inadequate, and the U. S. cavalry from Ft. Meyer had to be called to take charge of the crowd of hundreds of thousands of spectators who persisted in crowding into the street, in spite of the ropes that had been stretched along Pennsylvana avenue the whole length of the line of march. It is said the difficulty was caused by the anti-suffragists, who hired people to break up the pageant. Nevertheless, we escorted the ladies to Continental hall, where we played various national airs. The ladies had planned a suffrage meeting, but it proved to be more of an indignation meeting. During this meeting congress was also holding an indignation meeting because the chief of police had not obeyed instructions to have sufficient police to protect the people. The people of Washington are very indignant and heartily ashamed of the actions of the people of their city, and have expressed some very scathing remarks about the chief of police.

The pageant was well planned and would have been a magnificent demonstration had it been permitted to move without such serious interruptions. It was, however, an extraordinary spectacle, as far as the artistic arrangement and display were concerned, and the beautiful women, posing in classic robes, completely captivated the throng of spectators.

We had the privilege of meeting and talking with Dr. Anna Shaw, as well as "General" Rosalie Jones during the afternoon. Helen Keller, the famous deaf and blind girl, became so nervous over the parade that she was unable to make her address during the evening.

Later in the evening we visited the congressional library and were overwhelmed with the beauty and magnificence of the interior decoration. Later we went to the capitol building, where Mr. Van Cleve met us. We were entertained in his office until the usher was able to procure seats for us in the gallery of the house of representatives. We had a splendid location, and while there heard a heated debate on the bill for appropriating money for two battleships this year. We did not wait for a decision, however, but went to the senate chamber, where we heard a speech by Senator Cummins of Iowa concerning the appropriation of money for public buildings in various places over the United States. Just after we stepped out of the senate chamber, Senator Stone came to us with a few words of greeting and placed himself at our disposal.

Of course we were all anxious for today to dawn. There were such throngs of people on the street early in the morning that we had very little hope of being able to witness the parade, but fortunately we happened to be in a splendid location for seeing President Taft and President-Elect Wilson as they were being escorted to the capitol building, ready for the inauguration. Then in the afternoon we were again favored by being able to witness the inaugural parade from a point of vantage. It certainly was a very impressive sight, and one long to be remembered. There were eighty thousand soldiers in the parade.

The weather has certainly been ideal. Monday was a beautiful day. It was very balmy and spring-like, but today there are thin clouds, so the day is a little gray, although it is what would be called a very pleasant day for inauguration day.

We are going sightseeing tomorrow, and will start home Thursday morning. Our car is to be attached to Governor Major's special. We expect to arrive home Saturday morning on the 6 o'clock train. We will all be tired, but happy, for we have enjoyed the trip to the fullest extent, and have met with courteous treatment all along the way. One who has been especially nice to us is Mrs. Champ Clark. She was very much pleased that we were all from Missouri. One thing that seemed to surprise every one was that we were all from the same town.

Congressman Booher called on us and expressed his wish to be of service to us.

No one could have treated us nicer than Mr. Van Cleve, and we are glad to express our thanks publicly.

MAY SINK TEST WELLS.

Leases Being Secured Over County by Oil Men—Oil in This County?

According to the Burlington Junction Post E. M. Davis, a representative of the Pennsylvania Oil and Development company, made a second visit to Burlington Junction this week in an effort to secure a lease on a large block of land for oil and gas prospecting purposes in that community. Mr. Davis said that the company had secured a lease on about 12,000 acres southeast of Maryville and was leasing land in other parts of the county. The company wants to lease 8,000 to 10,000 acres in this locality, and if they can secure this amount Mr. Davis gives the assurance that they will sink five test wells in Nodaway county. He said that the company would be ready to begin work here four months after all the leases were made.

Mr. Davis expressed himself as confident that there was oil in this county as all indications were favorable. The lease taken by the company allows the land owner an eighth of the oil and $100 a year for each gas well, in addition to gas for the owner's consumption.

HONORS FROM OHIO COLLEGE.

Ralph Farmer of Maryville Wins Recognition in Freshman Class That Numbers 309.

Mr. and Mrs. S. E. Farmer of this city received a paper from Oberlin, O., Friday morning which gives the honor list in the freshman class at the close of the first semester. The list includes the names of 10 per cent of the freshman class that sustained the highest scholarship grade. The name of their son, Ralph Farmer, is in the list. He graduated last May from the Maryville high school, carrying off the honors of his class. He entered Oberlin college in September for the full course. The freshman class has a membership of 309, and those on the honor list must put in not less than fifteen hours' work, and can be a member of no other class but the freshman class. FOR MORE PAVING

MAYOR WILL BRING MATTER UP AT COUNCIL MEETING.

LOOK AFTER CROSSINGS

The $1,500 Judgment Against the City Starts Movement Among City Dads to Make Crossings More Safe.

The regular meeting of the city council will be held this Friday evening in their new quarters in the Baker building, on the northeast corner of the square. This will be their first meeting in their new location, the change being made as they thought the city hall was unsafe, and also to have all of the city officers have office rooms in the same building.

At the meeting tonight Mayor Robey will probably bring up the subject of paving in Maryville. No paving has been done in the city for several years and Mayor Robey would like to start the campaign for more paving. The streets suggested for paving are Market street between First and Third, and on Fifth street from Market to Buchanan. Then the alleys on the north side of the square and on the south side of the square.

Mayor Robey intends to also start his sidewalk campaign and to see that all crossings are in good condition. Since the city has $1,500 judgment against it from what was said to have been a bad crossing, the officials intend to pay more attention to the sidewalks and crossings.

WERE OPENING DAYS.

W. W. Jones & Co., New Implement Firm, Served Lunch Thursday and Friday at Noon.

Thursday and Friday were the opening days for W. W. Jones & Co., vehicle, implement and machinery dealers, located in the Denham building, on West Third street. From 12 to 2 o'clock on these days a free lunch was served to a large number of people at their store by Garten & Trusty.

The new firm has received six car loads of implements and machinery, which are now on display in the show room and stored in the second story of the building.

The firm will also serve a lunch Saturday from 12 to 2 o'clock to the farmers and business men.

RESERVES VS. ALBANY HIGH.

Normal Seconds Will Close Season Tonight With Gentry County Champs—Presbyterians and Christians.

The second basket ball team of the Normal will clase their season tonight in a game with the Albany high school quintet at the Normal gymnasium. The Albany chaps have set a great pace in the popular indoor sport over around Grand river, and they have gotten so chesty as to claim the high school championship of Northwest Missouri. The locals haven't worked out against the green and white team all season for nothing, and they know something about the game themselves.

A curtain raiser will be staged by two light weight teams from the Presbyterian and Christian church Sunday schools. The opening contest will start at 7:30.

PROVIDES FOR RURAL SCHOOLS.

Missouri Senate Passes Bill to Give Country Children Better Chance.

Jefferson City, March 7.—The senate passed the bills yesterday providing for rural high schools and for a teachers' training course to be taught in all the high schools. These measures will cost the state a large sum annually. In return, however, it is promised that a system of rural high schools will be tsablished in every county that now is without these advantages and render it unnecessary in future to draw on other states annually for twenty-five hundred school teachers.

More than fifty senate bills were passed today and only one failed. The latter proposes to leave it optional with the various county courts whether or not they appoint a county highway engineer.

Probate Judge Conn appointed W. C. Pierce curator of the estate of Nona L. Willett, a minor.

Cutting It Out.

The adoption of the county unit bill in Missouri and of the Webb bill in the nation, shows the drift of public sentiment. With no particular temperance revival, the country is steadily reducing the field of operations of the liquor business.

There is no fanaticism about the movement. It merely expresses a growing conviction that the American saloon is a demoralizing institution. Liquor drinking can't survive in an era of fierce competition. The athlete knows he must cut it out if he is to be successful. The big business concern frowns on it or forbids it among employees. Modern business success needs clear heads and unfagged bodies. It can't be built on whisky.

With the economic ban on liquor, people are able to judge its social effects more fairly. They find from the systematic investigations that have been made in the last few years that a large share of crimes of violence results from drink. Every few days in Kansas City and other cities, some young fellow commits homicide. "Drunk, of course," used to be considered a sufficient explanation. Now people are asking why institutions are permitted to exist that periodically send out crazy men armed with revolvers to endanger life.

Ten years ago neither the county unit bill nor the Webb bill would have had a chance at enactment. It is the change in sentiment throughout the county that put them through.—Kansas City Star.

YOUR FRECKLES

Need Attention in February and March or Face May Stay Covered

Now is the time to take special care of the complexion if you wish it to look well the rest of the year. The February and March winds have a strong tendency to bring out freckles that may stay all summer unless removed. Now is the time to use othine—double strength.

This prescription for the removal of freckles is the discovery of an eminent skin specialist, and is so uniformly successful that it is sold by any druggist under guarantee to refund the money if it fails. Get an ounce of othine—double strength, and even a few applications should show a wonderful improvement, some of the smaller freckles even vanishing entirely.

IT'S A MISTAKE.

Made by Many Maryville Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Maryville is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Maryville.

J. A. Murphy, 805 East Fourth street, Maryville, Mo., says: "Some years ago I publicly recommended Doan's Kidney Pills, and I am just as strong in my praise of them now as I was then. I got my first box of Doan's Kidney Pills at Love & Gaugh's drug store, and I do not hesitate to say that they are very reliable in curing kidney trouble and lame back."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Went to See Dr. Ferguson.

Dr. C. T. Bell was called to Elmo Friday morning to see Dr. R. E. Ferguson, who has been in rather poor health for some time.

Warning.

Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations. Look out for them, get the genuine. See that the girl with the Auburn hair is on every package.

Parisian Sage is the quickest acting and most efficient hair tonic in the world.

It is made to conform to Dr. Sangerbond's (of Paris) proven theory that dandruff, falling hair, baldness and scalp itch are caused by germs.

Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.

And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.

Parisian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using Parisian Sage. 50 cents a large bottle at the Koch pharmacy and druggists everywhere.—Advertisement.

News of Society and Womens' Clubs

Married at Minister's Home.

Mr. Samuel R. Gibson and Miss Ada I. Johnson of Shenandoah, Ia., were united in marriage Thursday morning at 11:30 o'clock at the home of Rev. and Mrs. C. J. Miller of the First Christian church, Rev. Miller officiating. Mr. and Mrs. Gibson will make their home on a farm near Shenandoah.

Senior Class Party.

The senior class of the high school will be entertained Friday evening at the home of Mr. and Mrs. George Moore, on South Main street, their daughter, Miss Edna Moore, a member of the class, being one of the hostesses. The other hostesses and hosts are Miss Lois Farmer, Miss Neva Sage, Miss Gladys Ford, Mr. Elmer Montgomery and Mr. Howard Leech.

Play for Arkoe Church.

A play entitled "Hazel Adams" was given by the Rose Hill school Wednesday night for the benefit of the M. E. church at Arkoe. All the players took their parts exceptionally well, and the sum of $15 was realized from the admission fee. Those taking part were Misses Lida Ambrose, Mary Coulter, Roxie Wilson and Sylvia Coulter, Messrs. John and Floyd Ambrose, Harry Whitehurst and Nels Hansen. Between the acts some good music was given by Mrs. May Jensen and Mr. Harry Jensen.

Birthday Surprise by Neighbors.

Mrs. J. F. Montgomery was given a delightful surprise Thursday evening by her neighbors, who learned that the day was her birthday anniversary. Filling their baskets with many good things to eat all gathered at her home with no ceremony whatever and took possession before their hostess realized what the demonstration was all about. The evening was all the more pleasant for the surprise. The guests were Mr. and Mrs. U. S. Wright and family, Mr. and Mrs. A. T. Stinson, Mr. and Mrs. J. F. Roelofson, Mrs. John Curfman, Miss Mabel Gay, Mrs. Dan W. Jones, Mr. and Mrs. C. F. Remus and children, Mr. and Mrs. O. L. Holmes, Mr. and Mrs. G. W. Swinford, Miss Irene Swinford.

The C. W. B. M. Meeting.

The C. W. B. M. of the First Christian church met in the church parlors Friday afternoon and a delightful program was pursued on the general topic, "Training the Children for the Church and Mission Service," led by Mrs. R. L. McDougal. Papers were read as follows: "How to Train Children in the Home for the Church and Missions," Mrs. W. B. Porter; "Training the Children in the Sunday School for the Church and Mission Services," Mrs. R. P. Yeaman; "Training the Children in Other Lands for the Church and Mission Service," Mrs. Will Miller; "The Work of the Young People's Department During Miss Pound's Sixteen Years' Service," Mrs. J. D. Frank; "The Making of a Missionary Boy," Mrs. J. B. Robinson; "A Sketch From the Life of David Livingston," Mrs. Henry Westfall; "Hidden Answers," conducted by Mrs. A. C. Hopkins.

Entertained for Daughters.

Mr. and Mrs. James Griffey, living nine miles northeast of Maryville, entertained a few evenings ago in honor of their daughters, Misses Esther, Mabel, Lucy and Lorena Griffey. One hundred and fifty guests were bidden, but owing to the stormy night only a few were able to come. Music was the principal pastime of the evening, and the musicians and singers were Doris and Eva Griffey, Esther and Lucy Palmer, and Gail Johnson, the vocal numbers by Mr. Johnson being especially enjoyable. Those present were Mr. and Mrs. M. S. Casteel, Mr. and Mrs. Lloyd Casteel, Mr. and Mrs. Lee DeVore, Mr. and Mrs. Leslie Griffey, Mr. and Mrs. Ray Parent, Mrs. Sam Crosson, Mr. Ben Cox, Misses Esther, Mabel, Lucy and Lorena Griffey, Lula, Florence and Pearl Johnson, Stella, Gladys, Elsie, Hazel and Emma Parent, Doris and Eva Griffey, Ethel Bolden, Hazel Cox, Orlie Craven, Horner Hall, Glen Brown, Gail and Glen Johnson, Fay Wells, Ernest Parent, Roland, Glen, Fern and Frank Palmer.

Library Social a Success.

The circulating library and box social given by the Mothers' Circle Thursday night in the First Baptist church parlors was quite a success, although the attendance was not as large as was expected, owing to the change in the date from Friday night to Thursday night, many who had expected to attend not being aware of the change in the date. About fifty guests were costumed to represent some book. Two little girls were given the prizes for making the best representation. They were Mildred Wallace and Gladys Wilson, dressed as "Little Women." Another good costume was that of Treva Phipps, another little girl, dressed as "The Little Colonel," and she had her dog, Fritz, with her, too. Four other little girls were quite popular in Colonial costume, who were "The Daughters of the Revolution." Miss May Farmer won the prize for guessing the largest number of books represented. Another enjoyable part of the evening came when the lunch boxes were auctioned off by Professor W. M. Oakerson. The baxes were beautiful and contained the most delightful things for eatging. About $20 was cleared for the Circle.

First M. E. Missionary Meeting.

The Woman's Foreign Missionary society of the First M. E. church met with Mrs. S. J. DeArmond Thursday afternoon. Mrs. O. C. Hanna led the study of "China's New Day," after the devotional service, which was conducted by Mrs. R. S. Braniger. A paper on "Our Pioneers in China" was given by Mrs. J. P. Price. "The Mystery Box" was conducted by Mrs. W. B. Christy. The program closed with a piano number by Master Gene DeArmond. The assisting hostesses during the social hour were Mrs. Kelley and Mrs. A. Kern.

DELICIOUS "SYRUP OF FIGS" FOR A BAD LIVER OR SLUGGISH BOWELS

THIS GENTLE, EFFECTIVE FRUIT LAXATIVE THOROUGHLY CLEANS YOUR STOMACH, LIVER AND 30 FEET OF BOWELS OF SOUR BILE, POISONS, GASES AND CLOGGED-UP WASTE.

A harmless cure for sick headache, for biliousness, for a sour, gassy, disordered stomach, for constipation, indigestion, coated tongue, sallowness, pimples—take delicious Syrup of Figs. For the cause of all these troubles lies in a torpid liver and sluggish condition of your thirty feet of bowels.

A teaspoonful of Syrup of Figs tonight means all poisonous waste matter, the undigested, fermenting food and sour bile, gently moved on and out of your system by morning, without griping, nausea or weakness. It means a cheery day to-morrow—many bright days thereafter.

Please don't think of gentle, effective Syrup of Figs as a physic. Don't think you are drugging yourself, for luscious figs, senna and aromatics can not injure anyone.

This remarkable fruit preparation is a wonderful stomach, liver and bowel cleanser, regulator and tonic, the safest and most positive ever devised.

The day of violent purgatives, such as calomel, pills, salts and castor oil is past. They were all wrong. You got relief, but at what a cost! They acted by flooding the bowels with fluids, but these fluids were digestive juices. Syrup of Figs embody only harmless laxatives, which act in a natural way. It does what right food would do—what eathing lots of fruit and what plenty of exercise will do for the liver, stomach and bowels.

Be sure you get the old reliable and genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by The California Fig Syrup company. Hand back, with scorn, any Fig Syrup imitation recommended as "just as good."—Advertisement.

Those who *know* buy DE LAVAL Cream Separators

Creamerymen—Because they are experts in the handling of cream and know by long experience that the De Laval skims cleanest and wears longest. That is why 98% of the World's creameries use the De Laval exclusively.

Experienced Dairymen—The De Laval is the universal favorite among big dairymen. They know that no other separator will give them such satisfactory service.

Old De Laval Users—Whenever a man who has used an old model De Laval decides to purchase a later style machine he invariably buys another De Laval.

Men Who Investigate—If anyone takes the time to investigate the merits of the various cream separators, either by finding out from other users what kind of service their machines have given or by testing other machines out against the De Laval, the chances are a hundred to one that his choice will be the De Laval. More De Laval machines are in use than any other make. There is a reason. Come in and we will tell you why.

More than 1,500,000 DE LAVALS now in use.

FOREIGN MISSIONS WON.

In a Debate at Presbyterian Church Wednesday Evening Judges Decided for Foreign Missions.

A very interesting debate was had at the First Presbyterian church Wednesday, when the question, "Resolved, that home missions are more worthy of support than foreign missions" was discussed. W. H. Crawford and Dean George H. Colbert argued the affirmative and Prof. C. E. Wells and Prof. H. P. Swinehart took the negative side. The judges were Miss Jessie Parcher, Mrs. L. O. Goble and Mrs. Roy Curfman. The affirmative side got one vote, and the other two judges voted for the negative side. A good crowd was in attendance and all of the debaters made good speeches.

Saw a Wolf Near Hopkins.

While out on a professional trip last Friday, Dr. C. W. Kirk of Hopkins saw a small gray wolf on the ridge some five miles north of that city. The animal looked at him as saucy as you please and he says he could easily have killed the wolf if he had been possessed of a shotgun, says the Hopkins Journal.

There is lots of timber along the river north of Hopkins, and it is said wolves are quite plentiful and are causing the farmers who raise sheep no end of trouble, killing lambs as well as attacking and sometimes killing older sheep. The good housewives also have many chickens carried off by the bold reynards.

Moved a Large Safe.

Shoemaker & Bovard, the new transfer men, moved Wednesday the city safe, weighing five tons, from the office over the Montgomery & Lyle clothing store to the new city hall quarters in the Baker building, on the northeast corner of the square. The moving apparatus which this firm uses made the removal of the big safe quick and without accident.

PLANNING THE GARDEN.

Be Able to Sell Before Your Neighbors.

Now is the time to look about for some early crop that will bring in a little money. For those who live close to a village or small city the early vegetable catches the dimes and dollars. Even though there are many gardens in town, there are a great many who prefer to buy their vegetables. In connection with the sale of vegetables, early plants pay a handsome dividend, says a contributor to Farm and Home.

The great thing in gardening is to have the vegetables ready a week or two before the other fellow. You not only get the advantage of high prices at the first of the season, but when once a customer, if your goods are O. K. you can hold them throughout the season.

A quarter or half acre is large enough to begin with. This amount, if worked intelligently, will produce an astonishing amount of "truck." The piece of ground selected for the garden should be cleared of all rubbish or trash, such as large dry weeds, sticks, etc., that wil linterfere with cultivation or which will cause the soil to lose moisture.

The spot selected should be top-dressed with well rotted stable manure or that from the pigpen or poultry house. Use all of these; there is no danger of getting the soil too rich. But be sure and get the manure well mixed with the soil. After plowing and harrowing the piece of ground, scatter 125 pounds of high grade commercial fertilizer over it and work it in three or four inches with a cultivator. Cultivate the garden all you can before planting. It matters not how rich the garden is, the fertilizer will warm it early in the spring, and also start and help to keep up a rank growth throughout the season.

BIG FISCAL BUDGET PASSED.

Appropriations Bill Passed Senate—Gives Normal Here $118,041—Craig Bill Passed.

A bill by Senator Craig of Nodaway county was passed. This gives to special road districts the right to levy a 25-cent tax for road improvements wholly within the special district.

For Hair Health

If Rexall "93" Hair Tonic does not improve the health of your scalp and hair, we will pay for what you use during the trial.

We could not so strongly endorse Rexall "93" Hair Tonic and continue to sell it to the same people if it did not do all we claim. Should it not prove entirely satisfactory our customers would lose faith in us, we would lose their patronage, and our business would suffer.

If your hair is falling out or you suffer any scalp trouble, we believe Rexall "93" Hair Tonic will do more to eradicate the dandruff, give health to the scalp, stimulate new hair growth and prevent premature baldness than any other human agency.

We want you to make us prove this. We ask you to risk no money whatever. Buy a bottle of Rexall "93" Hair Tonic, use it according to directions for thirty days; then if you are not entirely satisfied, come and tell us and we will promptly hand back the money you paid us for it.

We won't ask you to sign anything, nor even to bring the bottle back. We won't obligate you in any way. We will take your mere word. Could anything be more fair? Could we do anything more to prove our belief in Rexall "93" Hair Tonic, and our honesty of purpose in recommending it to you?

Rexall "93" Hair Tonic is as pleasant to use as spring water and has but a faint, pleasing odor. It comes in two sizes of bottles, 50c and $1.00.

SONORA AWAITS FEDERAL TROOPS

Many Ex-Rebels of Chihuahua Declare Neutrality.

GOVERNMENT IS NOT IDLE.

Ten Thousand Troops to Be Sent Against Rebels in North, Who Have Destroyed Railroads and Telegraph Wires—Americans in Danger.

El Paso, Tex., March 7.—With the ex-rebels of Chihuahua declaring neutrality today in the Sonora revolt, the situation in the western border state awaited the entrance of federal troops.

Rallying under the constitutionalist banner and proclaiming states' rights, the new rebels not only destroyed the railway north and south of Hermosillo, but cut all telegraph wires. This enforced the most effective news censorship from the state capital.

Following the decision of the state authorities to denounce Huerta's government, groups of state rebels threatened the posts of Agua Prieta and Nogales, on the Arizona border.

Fear is felt by the large American colony at Empalme, near Guaymas, that a Mexican gunboat will shell the California gulf port, preparatory to landing Huerta's soldiers to move against Hermosillo.

Ten Thousand Veterans Ready.

Mexico City, March 7.—Ten thousand seasoned troops are to be placed under command of Brigadier General Samuel Garcia Cuellar, who has been ordered to move against the rebels in the north at an early date. Two thousand men in addition to those already dispatched are being prepared to proceed to Coahuila to give combat to the rebels under Carranza.

FRANCE TO HAVE BIG ARMY

Government Urges People to Support New Military Bill.

Paris, March 7.—An impressive appeal to the people of France to submit cheerfully to the sacrifices called for by the new military bill increasing service in the army to three years was made when the cabinet submitted the measure to parliament.

The bill as laid before the chamber of deputies was accompanied by a declaration from the ministry expressing the profound conviction that the proposal "must be adopted, not only for the security of France, but also for the peace of Europe, which depends entirely on the maintenance of the equilibrium of the great nations of Europe."

Some exceptions to the general rule are made in the bill. Youths belonging to families of at least six children will serve only two years.

Bronze Bust Given to James Wilson.

Washington, March 7.—A life-sized bronze bust of himself will serve to remind James Wilson, retiring secretary of agriculture, of his sixteen years of service in that department when he returns to his home in Iowa. The bust, a replica of which will be placed in the department, was presented to Mr. Wilson in the National Museum building by the employees of the department.

Injunction Prevents Tea Party.

New York, March 7.—The "tea party" which Collector William Loeb, Jr., planned to give today by dumping 2,846 packages of tea, condemned as impure and unwholesome, into New York harbor, was prevented by an injunction granted by Judge Hand in the federal court on the motion of the importers.

Writ for Thaw Is Withdrawn.

New York, March 7.—The writ of habeas corpus obtained in behalf of Harry K. Thaw was suddenly withdrawn at the request of his counsel in the supreme court. Thaw was taken back to the asylum, and the right of his lawyers to see him in private there will be thrashed out in court.

CONDENSED NEWS

Mrs. Catherine Godfrey, a young widow, was found murdered in her flat in New York. The police attribute the crime to gangsters.

Mrs. Levi Z. Leiter, widow of the former Chicago merchant, died at her home in Washington of apoplexy.

Edgar E. Clark of Iowa, confirmed as an interstate commerce commissioner, was named as chairman in succession to Franklin K. Lane, now secretary of the interior.

Attorney General McReynolds took up anti-trust work by a conference with representatives of the Union Pacific and Southern Pacific over the plan for dissolution of their merger.

Dr. Fredrich Franz Friedmann of Berlin administered his serum for tuberculosis to two women and a man, the first patients whom he has treated in America. The serum was injected at the People's Hospital for Chronic Tuberculosis in New York.

Indications that no sweeping changes in the foreign policy of the United States are in contemplation were afforded when Secretary Bryan, without much qualification, approved the letters and instructions by wire that went out to the American representatives abroad in countries where stirring events are happening.

PAPE'S DIAPEPSIN REGULATES STOMACH.

Time It! In Five Minutes Gas, Sourness and Indigestion is Gone.

Do some foods you eat hit back—taste good, but work badly; ferment into stubborn lumps and cause a sick, sour, gassy stomach? Now, Mr. or Mrs. Dyspeptic jot this down: Pape's Diapepsin digests everything, leaving nothing to sour and upset you. There never was anything so safely quick, so certainly effective. No difference how badly your stomach is disordered you will get happy results in five minutes, but what pleases you most is that it strengthens and regulates your stomach so you can eat your favorite foods without fear.

Most remedies give you relief sometimes—they are slow, but not sure. Diapepsin is quick, positive and puts your stomach in a healthy condition so the misery won't come back.

You feel different as soon as Diapepsin comes in contact with the stomach—distress just vanishes—your stomach gets sweet, no gases, no belching, no eructations of undigested food, your head clears and you feel fine.

Go now, make the best investment you ever made by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder.—Advertisement.

HOW AN INDIANA GIRL

Got Strong and Well Again at Small Cost.

Miss Alta Abel of West Baden, Ind., says: "I was a complete wreck, always tired, worn out and nervous. I had to spend about one-third of my time in bed and my life was not worth living. Vinol, your delicious cod liver and iron tonic, was recommended, and it has done me more good than all the medicine I ever took in my life. That nervous and tired feeling is all gone. I have gained in health, flesh and strength, until I feel like another person."

Vinol is the most efficient strength creator for such women. It is the medicinal elements of the cod's livers contained in Vinol, aided by the blood making and strengthening properties of tonic iron which makes it so far superior to all other tonics to build up health and strength for weak, tired, ailing women. It contains no oil and has a delicious taste.

We give back your money if Vinol does not do all that we claim. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.
